Sample Talk Topics:

Make Room: Make room for God and the Eucharist in your daily life and it will be transformed in ways you could never imagine. In this very practical session we will pray with Laura Huval's original song, "Make Room," while studying scripture, the writings of Saints, and guided meditations centered on the Eucharist.

Footprints-God is Carrying You: "My precious child, I love you, and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you." The "Footprints" poem and song, remind us all that Jesus is walking with us, carrying us, and holding us close to His heart. Psalm 34:18 reminds us, "The LORD is close to the brokenhearted; he rescues those whose spirits are crushed." Leave filled with faith and hope so you may share the love for Jesus, The Eucharist, and the Church with others.

Listen: "Do whatever he tells you." (John 2:5). Our Blessed Mother calls us to listen to her son. We will reflect on Mary's fiat and how God calls us into a more intimate relationship with him in the Eucharist through Adoration. This powerful presentation includes a guided meditation of the Transfiguration, reminding us of God's words, "Listen to Him." Laura Huval's original song "Listen" will be used for meditation. God speaks to our hearts in silence if we listen.
